Welcome

2021 ANNUAL SHOWCASE

Welcome to our 11th annual showcase. We would like to take this opportunity to thank each and everyone of you for all of your support this year! The Living Dolls Dance Factory opened in December 2009 with a vision of creating a brand name Studio with a high standard of commitment, passion and excellence of both the students and teachers. The goal was to educate students and what it takes to be successful in life while exposing them to the art of dance; Reminding them that it's not all about glitz and glamour. Good habits are the key to all success! We take pride in each and every student. Our promise to you, is that we will work hard to instill confidence, discipline, positive self-esteem, and the emotional social skills necessary to ensure that all our "living dolls" mature into well trained, intelligent dancers. But more importantly, excellent citizen role models for our society.

We would like to thank each and every student that has walked through our doors! Your commitment and passion inspire us every day. You push us to be better and work harder. You encourage us to become more creative and find new ways to view the world.

It has been an honor to teach these amazing children that we know and love! It is with great appreciation that we thank you from the bottom of our hearts for trusting us and choosing LDDF as their dance studio, home away from home.

Thank you to everyone along the way who have helped make our dreams come true. We have grown up together with the hopes of teaching young women to create a bond like the one we have; supportive and always proud of one another... free of envy, jealousy and so many other negative influences that much too often become a part of a young dancers routine. The real contest is always between YOU and YOURSELF!... if you persist, you will succeed. Be patient with yourself...build your castle one brick at a time and know that small steps, repeatedly will accomplish ANY undertaking.

We are grateful for everyone in the audience tonight that came to share with us this magical night filled with so much love! It is with great pleasure that we proudly introduce to you "THE COMBACK!"

Please, Sit back, relax, and enjoy the show!!!

With love,

Janet and Martica
